New York, New York 10278

Ref: American Cyanamid Co., Warners Plant

Dear Sir:

Enclosed please find the completed Notification of Hazardous Waste Site (EPA Form 8900-1) as required by Section 103 of the Comprehensive Environmental Response, Compensation, and Liability Act (Superfund).

This submittal or any past or future communication with respect to this matter is not intended to admit any liability or to waive or affect any rights.

Very truly yours,

AMERICAN CYANAMID COMPANY
